UPCOMING DATES

- ◆ January 31 - District NI Day, no school for students
- ◆ February 3 - Kindergarten registration begins
- ◆ February 4 - PAC meeting @ 7 pm in the library

Reminder—Keep the snow on the ground and leave snow forts alone.

Cold Weather Alert – Winter wear imperative! On days when the temperature is -15 degrees Celsius or colder (according to 'The Weather Network'), students will remain indoors. If the temperature is -15 degrees or warmer, students are expected to be outside for recess, lunch, as well as after school if they take a later bus. Lack of proper outdoor wear (toques, mitts, jacket, snow pants, boots), could be a safety issue if a bus were to break down, or if there were an emergency and we needed to evacuate the school. Students should bring proper outdoor wear to school every day (even if it is in their back packs), regardless of the temperature outside.

REMINDER TO PARENTS

THERE IS NO STUDENT DROP OFF BEFORE 8:00 A.M. AS THERE IS NO SUPERVISION IN THE MORNING. THIS IS A SAFETY ISSUE FOR YOUR CHILDREN.

KINDERGARTEN REGISTRATION

For parents : Kindergarten Registration will start February 3rd. A child needs to be the age of 5 before December 31st, 2020. When registering your child we require a care card, birth certificate and 2 pieces of proof of address. Thank you!
